## CurtinWeb Mail

The screenshot displays the CurtinWeb Mail interface. On the left is a dark green sidebar with the CWMail logo and navigation buttons: Check Mail, Compose, Addresses, Options, Help, and Logout. The main area has a white background with a 'Welcome test' header and 'Netwin 3 messages' status. A 'Netwin' dropdown menu is visible. Below the header is a table of messages:

New		From	Date	Subject	Size
	<input type="checkbox"/>	(unknown)	7/22/99	Welcome to the Netscape Messaging	463
	<input type="checkbox"/>	test@curtin.edu.my	7/23/99	Checking Attachments (HTML)	4807
	<input type="checkbox"/>	test@curtin.edu.my	7/23/99	Checking Attachments (RCE)	59480

Below the table are controls: a checkbox for 'Select all displayed messages', a 'Delete' button, and an 'Empty Trash' button. At the bottom, there is another 'Netwin' dropdown menu and 'Move' and 'Copy' buttons.
